ACCESS TO HIGHER EDUCATION

An Access to Higher Education course is a 1 year pre-university course that prepares adults for study at university. This course is ideal if you have been out of education for a while, are planning a career change or are looking to upskill in your current job. A typical Access course is 2-3 days a week, 9.30am-3pm and are taken by students of all ages and backgrounds.

Most Access to Higher Education students pay for their course with a 19+ Advanced Learner Loan. Any outstanding Advanced Learner Loan balances you owe for an Access to HE course will be 'written off' once you complete a higher education course. This means you do not have to repay it.

It's really easy to apply for an Advanced Learner Loan. Simply contact our friendly Admissions team who will explain everything you need to know and get you started.
