

## **Level 1/2 BTEC Announcement from Pearson – 20<sup>th</sup> August 2020**

### **New Applicants to College**

Yesterday evening Pearson announced a change to the grading process for BTEC Level 1 and 2 qualifications. We know that this will affect some students applying to College courses.

**If you did not receive your results as expected today, please do not worry. In many cases we have predicted grades from your school to help us make decisions about the right level of course for your enrolment.**

**If we haven't got predicted grades, we will work with you and your previous school to help make decisions. Please speak to our enrolment staff who will help and support you through the process.**

If you need further help or support please contact [admissions@harlow-college.ac.uk](mailto:admissions@harlow-college.ac.uk)
