Corporate Statement

The College is made up of a wide range of people with diverse backgrounds and circumstances, which we value and regard as a great asset.

We are aware that some groups may unfortunately experience treatment from time to time that has a negative effect on their quality of life. Specific legislation is in place to protect the rights of individuals and groups to ensure that discrimination is prevented and that they are given equal access to employment, education and other services.

Those most often affected are people who fall into the “Protected Characteristics” groups which are:

- Age
- Disability
- Race
- Gender re-assignment
- Marital and Civil Partner status
- Pregnancy and Maternity
- Religion and Belief
- Sex
- Sexual Orientation

1. Equality and Diversity Policy Statement

- 1.1 Harlow College is committed to tackling inequality and discrimination, advancing equality of opportunity and promoting equal treatment regardless of any Protected Characteristic.
- 1.2 The College seeks to ensure that this commitment is reflected in everything that it does and that all College members, staff, students, partners, visitors, contractors and sub-contractors working on behalf of the College share this commitment.
- 1.3 The College will make ensure awareness and compliance of this commitment through a variety of both formal and informal means, details of which are contained within this Policy.
- 1.4 This policy does not form part of any employee's contract of employment and the College may amend it at any time without further notice.

2. The College Governing Body

2.1 Responsibility

The College's Governing Body has overall responsibility for ensuring that the College complies with discrimination law. Governors are responsible for the effective operation of this policy and for the advancement of E&D.

2.2 Governors' Induction

The College's E&D Policy is included as part of a new Governor's induction.

2.3 Training

Training will be provided, as required, for Governors on matters relating to E&D.

2.4 Reporting Structures

The College's Governing Body receives an annual report on E&D activity within the College. The Assistant Principal, Student Services, who leads on E&D, submits the report including recommendations for the College E&D Action Plan and Equality Scheme. The Governing Body should ensure that E&D issues and policies are implemented and monitored appropriately.

3. Students

3.1 Responsibility

Students are responsible for their behaviour and conduct and must abide by the Participation and Consent Form which includes the Commitment to Study Form that all students are required to sign at their enrolment.

3.2 Student Induction

- 3.2.1 All students undertake a student induction led by the delivery team for their course and members of Student Services. The induction makes clear to students

that discrimination, harassment; bullying and victimisation will not be tolerated on or off campus.

3.2.2 The Student Induction and supporting material that may be delivered via the Tutorial Curriculum are vetted by the Learner Voice Office under the direction of the AP Student Services. E&D is included in both the Induction and the subsequent Tutorial Curriculum and materials are made available to teaching staff throughout the year.

3.3 Challenging Discrimination, Harassment, Bullying and Victimisation

3.3.1 Where an incident involving discrimination, harassment, bullying or victimisation occurs in the classroom, the teacher should refer students to the Student Code of Conduct, the College Charter and the Student Induction.

3.3.2 In addition to 3.4.1 above, the teacher should refer to the Student Disciplinary Procedure for guidance on possible sanctions and supportive action that can be taken.

3.3.3 Where an incident involving discrimination, harassment or bullying occurs outside of College, External Agencies will be informed if appropriate to do so.

4. **Staff**

4.1 Responsibility

Staff are responsible for their behaviour and conduct and for the advancement of E&D both in their classrooms/work areas and on premises used by the College.

4.2 Staff Induction

4.2.1 All staff are entitled to receive, and must attend, a Staff Induction which will include a session on E&D.

4.2.2 In addition, all new staff must complete the mandatory on-line E&D training package and pass the on-line test within one month of commencing their employment with the College.

4.3 Staff Development

4.3.1 All existing staff, who have not already done so, must complete the mandatory on-line E&D training package and pass the on-line test.

4.3.2 All staff can apply to attend/undertake additional E&D training, some of which may be mandatory.

4.4 Challenging Discrimination, Harassment, Bullying and Victimisation

4.4.1 Staff must report all incidents involving students or staff where discrimination, harassment, bullying or victimisation has occurred relating to the protected characteristics of others, be this on or off premises used by the College.

4.4.2 Where an incident involving discrimination, harassment, bullying or victimisation occurs and this involves a member of staff, attempts should be made to resolve the matter locally if the victim feels able. If informal steps are not appropriate or the matter cannot be resolved in this way, it should be reported to the appropriate line manager and HR. This may lead to a Grievance being raised and staff should be directed to the Harlow College Grievance Procedure in such circumstances. As a general principle, the decision whether to progress a complaint is up to the victim. However, the College has a duty to protect all staff and may pursue the matter independently if, in all the circumstances, it is appropriate to do so. In either case, the matter will be investigated and one result of such investigation may be disciplinary action under the College's Staff Disciplinary Procedure.

5. External Partners

5.1 Responsibility

5.1.1 External partners with which the College works must comply with the College's E&D Policy and share the College's commitment to E&D, as set on in its E&D Policy Statement (see 1. above)

5.1.2 When drawing up agreement or contracts with external partners, the College must ensure that external partners are made aware of the requirement in 5.1.1 above and must assure itself that the external partner has appropriate policies and procedures in place regarding E&D.

6. Visitors, Contractors and Sub-contractors

6.1 Responsibility

6.1.1 Visitors, contractors and sub-contractors must comply with the College's E&D Policy.

7. Data Collection and Monitoring

7.1 The personal data of students and staff are collected, stored and used in line with the College's Data Protection Policy.

7.2 Course teams, programme areas, central services and the College as a whole are responsible for monitoring the data available for each of the Protected Characteristics, where they are identified, and taking appropriate action to advance E&D and to reduce any gaps in achievement.

7.3 Central services and programme areas monitor enrolment, retention, achievement and success data at appropriate points throughout the academic year.

This data is evaluated in SARs (Self-Assessment Reports) and where there are achievement gaps for different Protected Characteristic groups, the teams will identify actions to eliminate or reduce these gaps. These actions become part of the Quality Improvement Plan (QIP) for the area and, as such, are monitored regularly.

- 7.4 Central Services use the data available to them centrally and also put in place systems to monitor data for different groups of people. Key data includes Key data include those relating to staff (applications, interviews, employment, turnover and staff satisfaction) and students (enquiries, applications, interviews, admissions, complaints, appeals, disciplinaries, breaches of assessment, additional learning support and student satisfaction).

Central Services evaluate such data in their SARs and where there are differences in the data for different groups of people, identify actions to eliminate these differences. These actions are inserted into QIPs and monitored regularly.

- 7.5 The College's E&D Committee monitors E&D data relating to students and staff.

8. Curriculum Development

- 8.1 Key issues including E&D are included as part of the review of curriculum programmes and EDIMs (Equality & Diversity Impact Measures) data is used to inform and improve the curriculum offer and its delivery.

9. Equality Impact Assessments

- 9.1 In accordance with the public sector equality duty, due consideration is given to the potential impact of quality of service delivery/College experience on groups of staff and students whenever there is a change or review of a policy or procedure and every effort is made to avoid adverse or discriminatory outcomes for any members of the college community or its partners.

10. Equality and Diversity Scheme and Action Plan

- 10.1 The College is committed to a programme of action to make this Policy fully effective. To support the implementation of this Policy we have produced an Equality Scheme and an Action Plan to bring into mainstream focus some of the key functions of the policy. The strategy focuses on five key themes for mainstreaming:

- Leadership
- Communication
- Compliance
- Engagement
- Recruitment, admission, retention and quality learning impacts and achievements of under-represented groups

- 10.2 In particular, the College will:

- seek to ensure that people are treated fairly and equally regardless of their belonging to any of the Protected Characteristic groups

- promote diversity in its students and staff by recognising the particular contributions that can be made by individuals from a wide range of backgrounds and experiences
- promote and maintain an inclusive and supportive study and work environment, which affirms the rights of individuals to be treated fairly and with respect, and which affords opportunities for all to fulfil their potential.

The College's Equality Scheme and Action Plan can be found on the College's website.

11. Policy Objectives

11.1 By adopting this policy, the College accepts its responsibility to ensure that discrimination does not take place and that everyone associated with the College is treated fairly and equally. We have therefore made the commitment to create an inclusive environment where discrimination is challenged and equality is positively promoted.

11.2 This policy is designed to make more effective use of all the human resources available for the continuing development of the College. It should support better education and training by the College ensuring that:

- Equality of opportunity is embedded in all policies, practices, decision making and evaluation processes.
- The College seeks to promote a positive and welcoming environment and provides equality of opportunity and freedom from discrimination on the grounds of any of the Protected Characteristics.

11.3 The College creates a visibly diverse environment which values difference and enables all students to realise their potential.

- including the publication and display of offensive or degrading literature that might be directed at any member of staff, student or a visitor to the College.
- It is clearly understood that the College's Grievance Policy can be used for challenging all forms of discrimination, harassment and bullying.
- The College values learner and staff feedback in order to remain alert to patterns of inequality and related concerns, which are not identified through statistical monitoring tools.
- The College ensures that its stance on equal opportunity is well published within the College itself, with the local community and particularly to all who wish to work or study at the College.
- The College takes action against any forms of discrimination, harassment and bullying
