Functional Skills Course Information:

Functional Skills qualifications are designed to support you as you seek to improve your skills and provide you with the fundamental knowledge required for everyday life. Achieving a qualification will increase your confidence and motivation and the skills gained will aid you in the workplace or any further learning.

This course is funded* and provides you with a good foundation to progress onto higher level qualifications, for example GCSE.

This qualification is suitable for anyone who wishes to improve on their existing skills or progress their career.

* Subject to eligibility criteria
