# WELCOME

UPSKILL, RETRAIN  
AND FUTURE PROOF  
YOUR CAREER

Thank you for considering Harlow College. We know the last year has made many people think about their careers – whether it be learning a new skill, taking a more advanced course or learning for leisure and interest.

At Harlow College, we offer a whole range of courses for adults, with the opportunity to learn online, take classes in College, or a mixture of the two, all designed to help you with your personal or professional development.

We are Ofsted graded Good as a College and have excellent teachers who can help you develop your skills. We also have great links with industry and access to a wide range of professional resources.

Some of our courses are completely free - for example, those on offer through the Government designed National Skills Fund. For others, help may be available towards the cost of your college course, as well as maintenance, with either a 19+ Advanced Learner Loan or a loan or grant from Student Finance England. If you are under 19 at the start of your course, some of these courses will be free.

We value all our learners at Harlow College and welcome applications from all ages and experience. So, whether you are 19 and taking your first steps in further education, or 66 and looking to re-train, we look forward to hearing from you.

**Karen Spencer,**  
**Principal, Harlow College**
