Progression to further study at Harlow College	<ul style="list-style-type: none"> • New course interviews • 1:1 STAR bookable/drop-in Careers Central Information, advice and guidance appointments 	Level s 2 & 3	

An explanation of types of activities

Personal Guidance

Careers and course guidance, face to face, telephone and virtual appointments available throughout the year. Available to all students, potential students and apprentices.

Information advice and guidance (IAG) drop in service in our dedicated Careers Central area, part of the STAR Agency.

The Careers Central team are available to attend school/community events and give information, advice and guidance; supporting and empowering young people to make informed decisions on their next steps.

Careers Central results day advice service in August and September. Supporting young people following their exam results to relieve the stress of unexpected decision making.

Work Readiness & Employer Encounters

Students attend at least 30 hours of external work experience or work-related encounters as a part of their courses. Some areas have longer work placements that have to be completed as a part of their course.

Students on T-Level programmes take part in Industry Placements of up to 45 days/315 hours as part course. This can be with up to two employers.

Sector specific employer visits/talks – An employer will visit campus and give a talk either in one of our lecture theatres or in a workshop/classroom environment. Or students may visit an employer off site on an organised visit. Our Industry Insight events provide students with an opportunity to meet with employers, apprenticeship providers and student alumni from specific industry sectors.

Live briefs – Employers work with students to complete a project or activity on their behalf. This is more common within creative and business-related areas.

Apprenticeship Fair – This large event is normally in National Apprenticeship Week with employers and HE providers engaging with students. Also, with a programme of talks to students and parents in a lecture theatre from an apprenticeship ambassador from the National Apprenticeship Service, Aim Apprenticeships and sector specific employers e.g. NHS

Grofar – An app which all students have access to on their iPads, to record work experience and log hours worked, experience gained and upload photo evidence.

Enrichment – A weekly opportunity for students to engage in non-course related activities to help them develop wider skills and behaviours such as teamwork, leadership and independence. Activities cover the themes of creative, active, science, digital and tech, Practical and Wellbeing and Work Readiness

Higher Education & UCAS

Anglia Ruskin (ARU) outreach activities - Organised activities with Anglia Ruskin University supporting students with their UCAS application, student finance, personal statement etc. Organised visits to Anglia Ruskin Chelmsford Campus.

Make Happen – Based at The University of Essex, providing interactive workshops at Harlow College for students wanting University as their next step.

Personal Development Tutor (PDC) led activities - Tutorials and support with the University application process as part of a tutorial programme of UCAS centred activities.

Higher Education Fair – Scheduled in the Autumn term with speakers, employers and HE providers to help students to make informed choices

Delivery teams provide sector specific HE information events throughout the year.

Careers Central offer a bookable appointment service for students wanting extra UCAS support.

Virtual Careers/Work Related Support

Careers Central Team Padlet Wall – A digital notice board which all students can access on their iPads. Full of up to date careers information, links, videos, events and opportunities to explore.

Grofar – An app which all students have access to on their iPads, to record work experience and log hours worked, experience gained and upload photo evidence.

ProPortal – An online area where students can record every employability encounters they have, from an employer talk to work experience or a part time job. Over time this builds a picture of a students journey towards work readiness.
